Announcement.

FOR CONGRESS.

Ellis E. Lawrence, of Boyd county, authorizes us to announce his candidacy for Congress from the 5th Congressional District, subject to the action of the Democratic convention.

FOR CONGRESS.

We are authorized to announce CHAS. KITCHEN, of Carter County, as a candidate for Congress from the Ninth Congressional District, subject to the action of the Democratic party.

FOR CONGRESS.

EDGAR B. HAGER, of Ashland, Boyd county, is a candidate for Congress, subject to the action of the Democratic party.

At the Chicago Convention a "lady" gown in white and wearing an extensive Merry Widow hat, sang My Old Kentucky Home in "A Major." To fit the State alluded to it should have been sung in "A Colonel."

One paper trust composed of 24 manufacturers has confessed guilt in court and received a fine of \$24,000. Yet that special "investigating" committee appointed by Congress failed to discover anything that looked like a paper trust.

The Republican Convention at Chicago nominated Wm. H. Taft, of Cincinnati, for President and James Sherman, of New York, for Vice-President. Taft received 702 votes on first ballot. The nearest man to him was Knox, who received 68 votes. A few votes were cast for Foraker, Fairbanks, Hughes, Cannon and La Follette. Taft went to Chicago with enough votes to nominate, and for this reason everybody who could do so climbed into the band wagon. Sherman is a Congressman from New York.

Our New Hair Vigor

Ayer's Hair Vigor was good, the best that was made. But Ayer's Hair Vigor, new improved formula, is better. It is the one great specific for falling hair. A new preparation in every way. New bottle. New contents. Ask your druggist to show it to you, "the new kind."

Does not change the color of the hair.

Formula with each bottle. Show it to your doctor. Ask him about it, then do as he says.

As we now make our new Hair Vigor it does not have the slightest effect upon the color of the hair. You may use it freely and for any length of time without fear of changing the color. Stops falling hair. Cures dandruff.

"My bread won't raise" is a common complaint among housekeepers. A distressing thing, but there's always a cause. Nine times out of ten it's on account of the flour.

Dewey's Best Flour

Does away with such complaints. If you can bake at all, you can have good luck with it. It is a flour with life in it. Made of best wheat, plump grains, ground by a superior process. The miller that makes it knows how.

THE ANDERSON-NEWCOMB CO.

HUNTINGTON, W. VA.

The last six years my little daughter has been troubled with attacks of kidney complaint. She would be quite well for weeks at a time, when without cause these attacks would come upon her and they would last for weeks and disappear as suddenly as they came. The trouble tended to weaken her kidneys and a tendency toward more serious symptoms prevailed. Doan's Kidney Pills soon relieved her and rid her of every sign of kidney weakness. I take pleasure in recommending them to others."
